Guzzly Grown

OUR SCHOOL

DEDICATION

To El Dorado's beloved J. F. Hughes, who during his years of Superintendent of the El Dorado School system has won the friendship and respect of students and teachers alike, the Grizzly Growl Staff of 1950 respectfully dedicates this yearbook.

Concerning his years of teaching, Mr. Hughes says, "I have enjoyed the years in school work. The life of a school man should be significant in the things which make life good. There is challenge on every hand for service where service is worthwhile.

"The school man's associations with boys and girls, with youth, with teachers and school patrons, is inspiring, happy, and as nearly altogether satisfactory as can be desired.

"Yes, teaching is a good life, and my only regret on leaving it is that I have not met more successfully the challenge it brings."

FACULTY

In the circle, Dean Max Bickford looks up with a friendly smile.

At right center, Richard Spann, Dorothy Fisher, Marie Lafferty, and Amy Laybourn try to look busy as they pass time in the office.

In the lower picture, Robert Douglass, R. W. Christy, and Lee Casida proudly discuss Juco's newest basketball trophy.

According to a composite statement of sentiment expressed by El Dorado Junior College instructors, "Continued co-operation between the faculty and the student body is necessary if El Dorado Junior College continues to be a success."

These informal poses prove that teachers are no longer the ultra-dignified, unapproachable beings that they were once held to be. Juco teachers are pictured here in light and serious moods; at all times they are the friends of Juco students.

At top left, Luke B. Headrick, James F. Edwards, Charles Fuller, Victor Porter Smith, and W. M. Grove take time out for a friendly chat between classes.

At upper right, Louise M. Cannon, S. H. Coffman, Myrrl Houck, and Carl Zerger look serious about the grave international situation.

At lower right, Ethyl Lange points out an important notice on the bulletin board to L. W. Nixon, Gladys Beuchat, and Helen Bradford.

In the left corner, E. E. Snyder and R. W. Wallingford seem to be discussing the latest good jokes they've heard from their students.

Left to right: Don Love (vice-president), Peggy Johnson (secretary-treasurer), and Paul Bartholow (president).

Dean Max Bickford has said, "In perusing the annual it would be possible to get the idea that Juco is 'all work and no play.' This is not true. El Dorado Junior College is constantly on the alert to raise academic standards and make classwork more practical." Shown here are Juco students at work.

GRIZZLIES BIG SUCCESS

Grab your bearskin coats, derbies, and pennants and let's amble out to the gridiron where the "Grizzlies" are racking up another victory.

Ah, yes, 'tis the time of year when that good old American sport of FOOTBALL reigns supreme, and this year finds E. J. C. emerging from another successful season. Although we finished third in the conference, we lost only three games, two of which, as luck would have it, were to conference foes.

The Grizzlies started the gridiron season off slowly with a 24-24 tie with the All-Stars, a team composed of former E. J. C. players. Two weeks later they came back with a thumping 29-0 victory over Emporia "B," avenging last year's defeat. Ark City was the next victim of the Grizzly attack to the tune of 13-7. The next week, though, our hard-fighting team went down to a 21-12 defeat at the hands of the Chanute Ravens, but quickly rebounded by subduing Pratt 16-7 and rolling to a hard-fought 13-12 decision over Independence. When the fellows went "West" to Dodge City, they found that the "Law of Averages" had finally caught up with them, and they emerged battered but unbroken, on the short end of a 21-6 count. The clash at Hutchinson found the Grizzlies outplaying the Dragons until the fourth quarter, when the Dragons' long line of reserves proved to be too much, grinding out a 26-7 victory. But the team showed that it wasn't down and out by routing Garden City the next week end by a lop-sided score of 65-13, to end the 1949-1950 football season.

Coach Bob Douglass proved once again that he is an extremely capable master of the gridiron, and in doing so was ably assisted by Assistant Coach Lee Casida. Although he did not have a large squad this year, Coach Douglass rounded the boys into an outstanding ball club that died very hard indeed. For the first time since the war, veterans were noticeably few this year.

Although we are losing a lot of the team this year, Gruffy T. is confident that E. J. C. will have a still more successful season in 1950-1951.

WHEAT BOWL QUEEN

"I was there, and I thought our nominee, Connie Godfrey, was the prettiest Wheat Bowl Queen candidate," said Jack Baker, 1949-50 president of the Varsity Club. The students of El Dorado Juco were proud to be represented by Connie at the festivities held in connection with the Wheat-bowl Game at Wichita, November 26.

HOMECOMING QUEEN

"She was such a wonderful Queen that I made her my Queen for life," said Harold Bay, football captain for 1949, speaking of Patricia Breckenridge, 1949 Homecoming Queen. "Queen Pat" was crowned with appropriate ceremony at the Garden City game, the night of November 18.

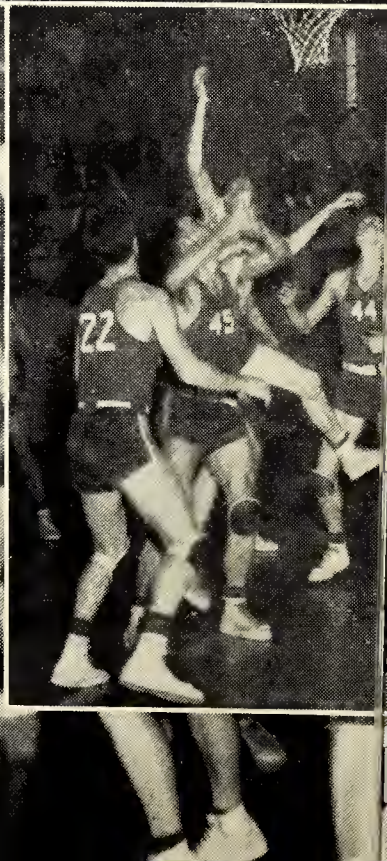

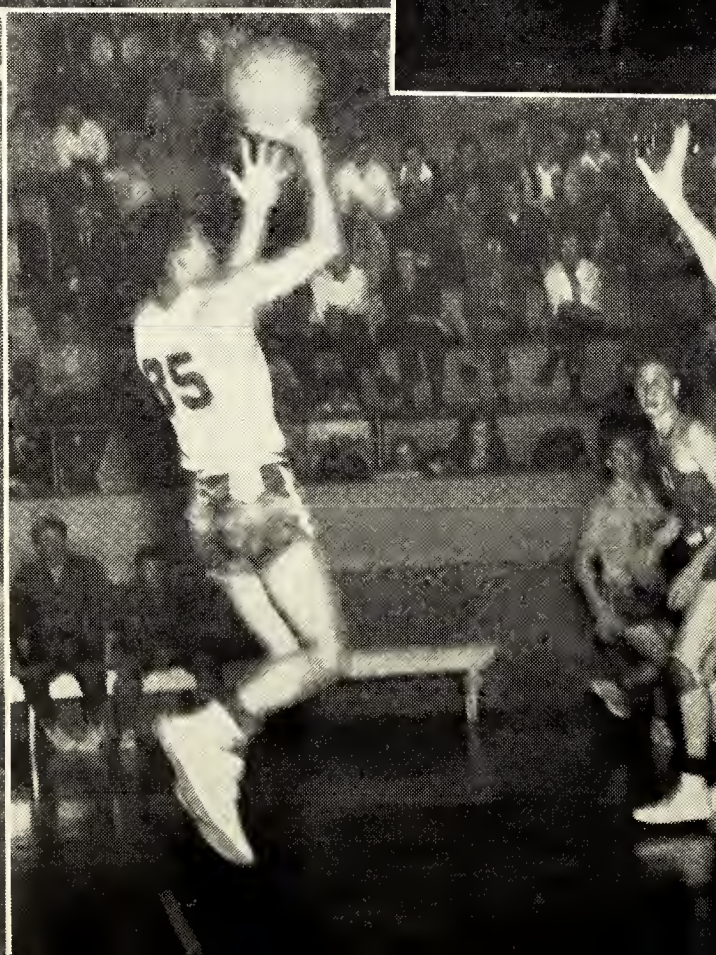

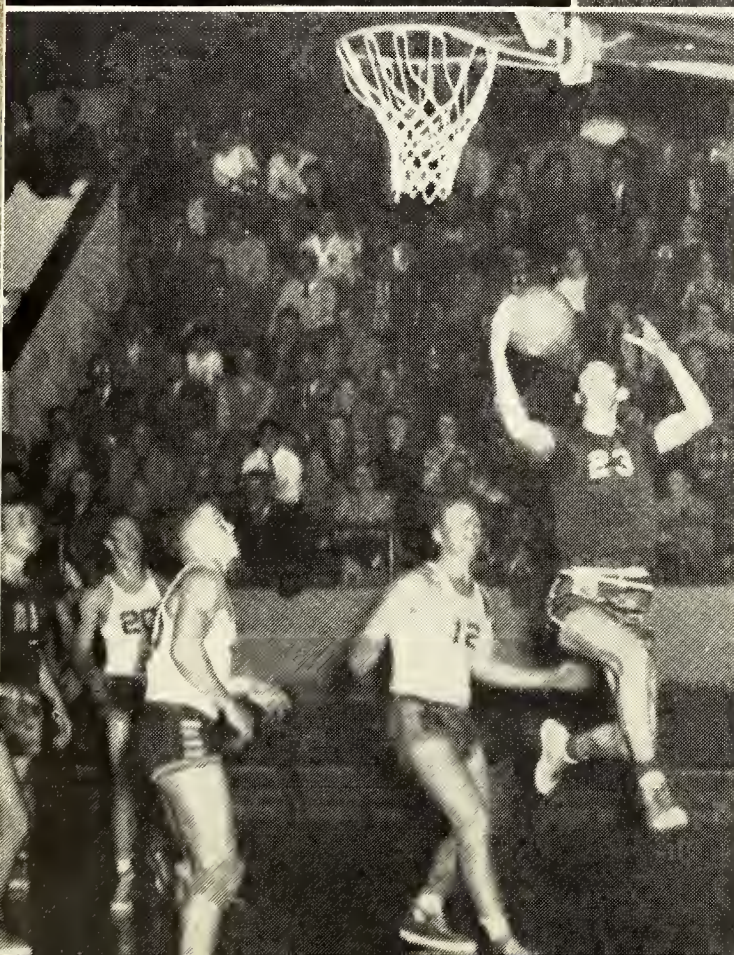

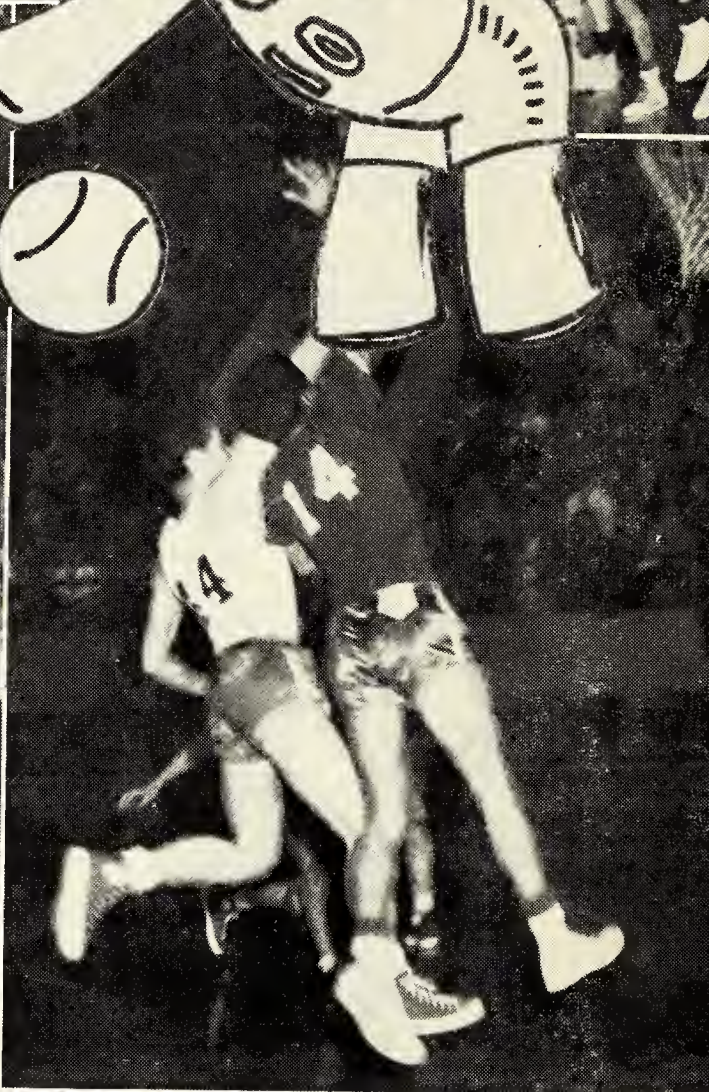

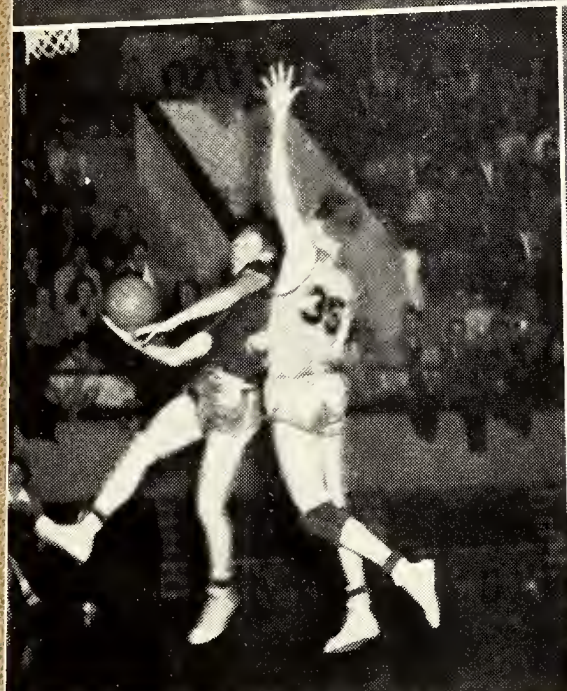

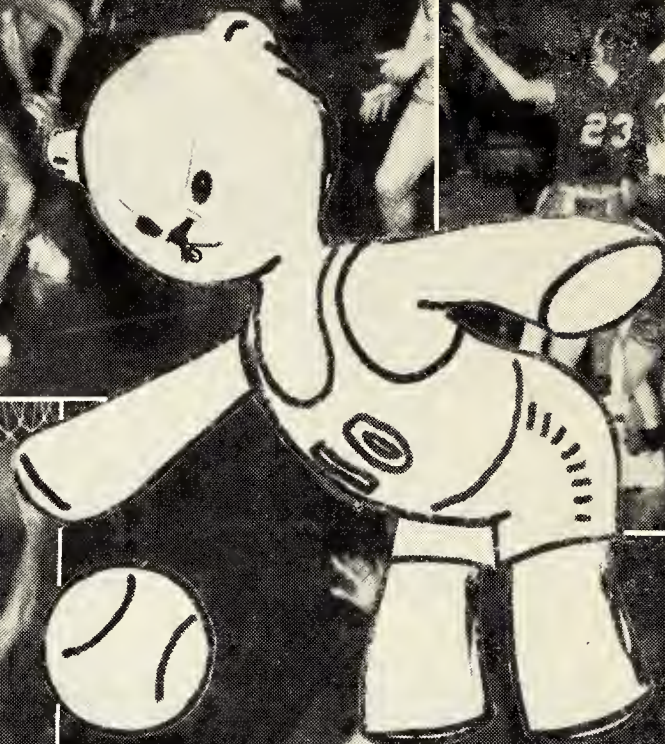

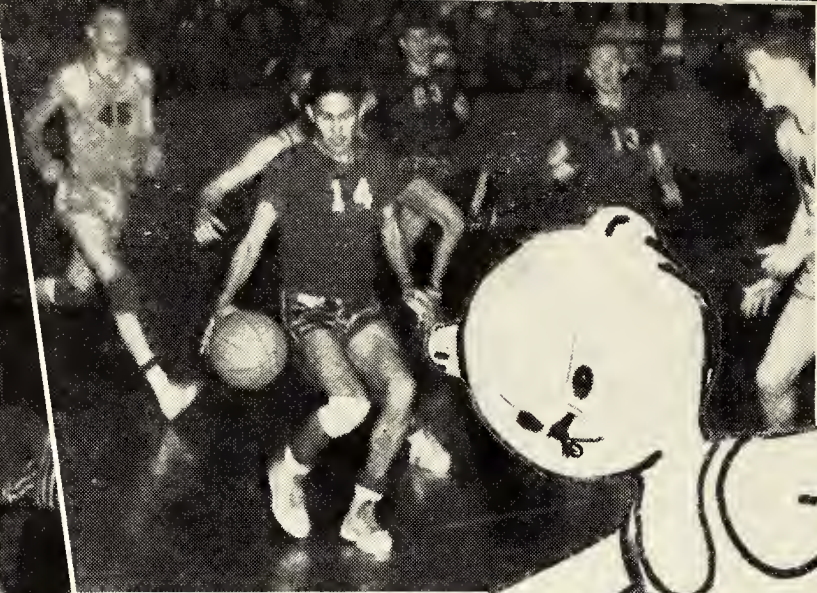

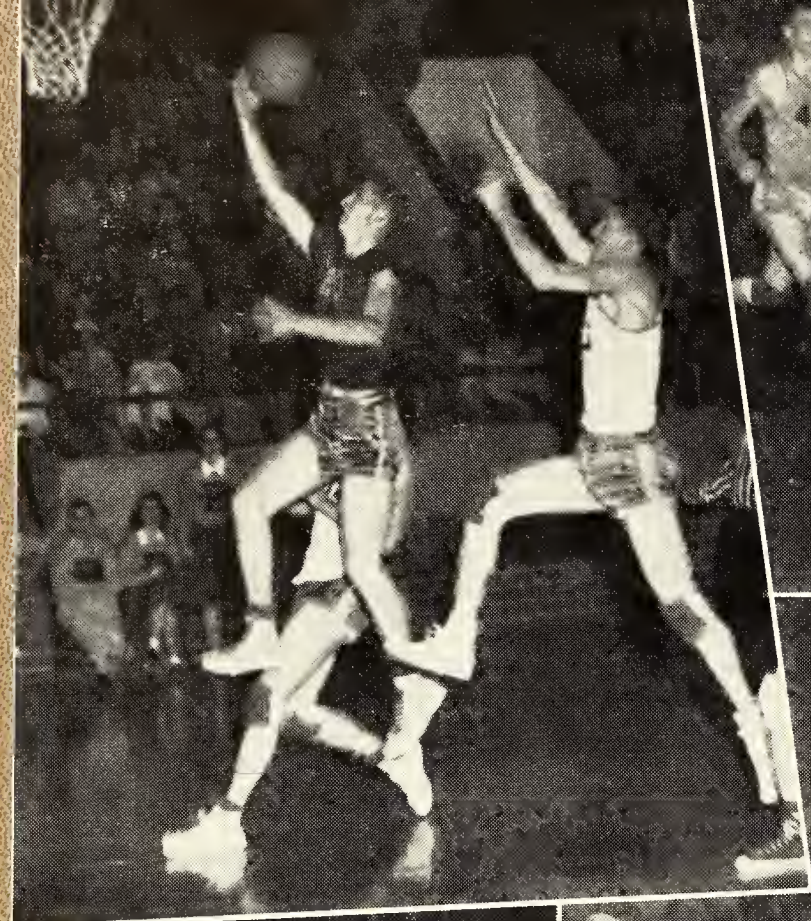

In front, left to right: Bill Foster, Harold White. Seated, first row: Bob Garcia, Gene Middleton, Tom Datin, Jim Lininger, Reece Hess, Evert Davis, Cliff Thompson. Standing: Coach Lee Casida, Duane Vanhaverbeke, Ferrell Starner, Gene Dorland, Ray Harvey, Bob Harsh, Bill Lee, Jim Brown, Duane Graham, check boy.

BALLBOUNCERS GREAT

When Gruffy T. put away his basketball togs for the season of 1949-50, he completed one of the most successful years the college has enjoyed. Under the direction of Coach Lee Casida, Gruffy's new ball bouncers and three returning letter men won 15 games and lost 10. Unfortunately, most of the losses occurred in the Western Division and were decided by the closest of margins. With two exceptions, all of the losses were by less than five points. The regular season ended, Gruffy entered his team in the State A. A. U. Tournament at Wichita and promptly won the honor of being named the best college team in the tournament.

For their services to the team, Bob Garcia and Jim Lininger were elected co-captains for the year. On the next page are the scores for the season.

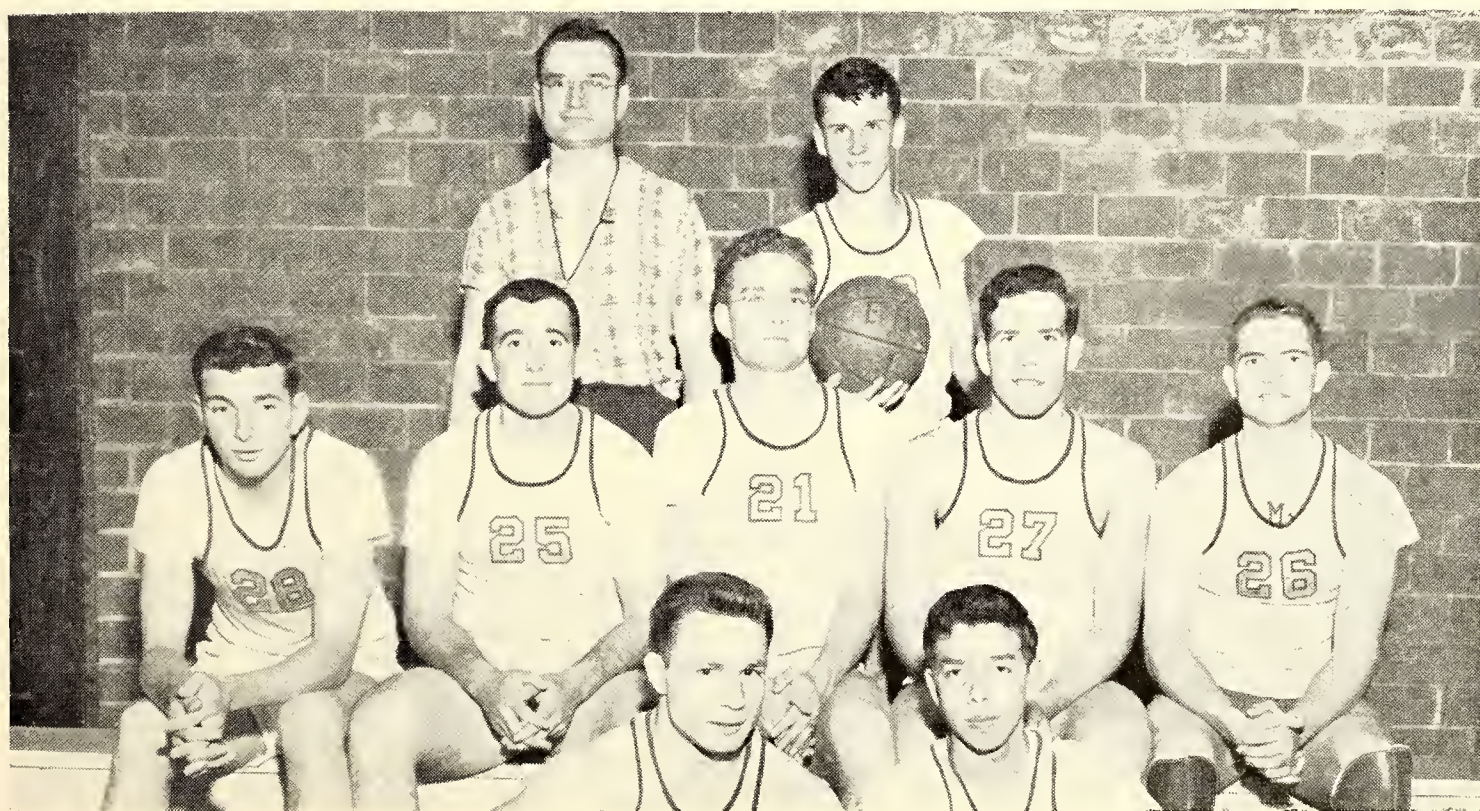

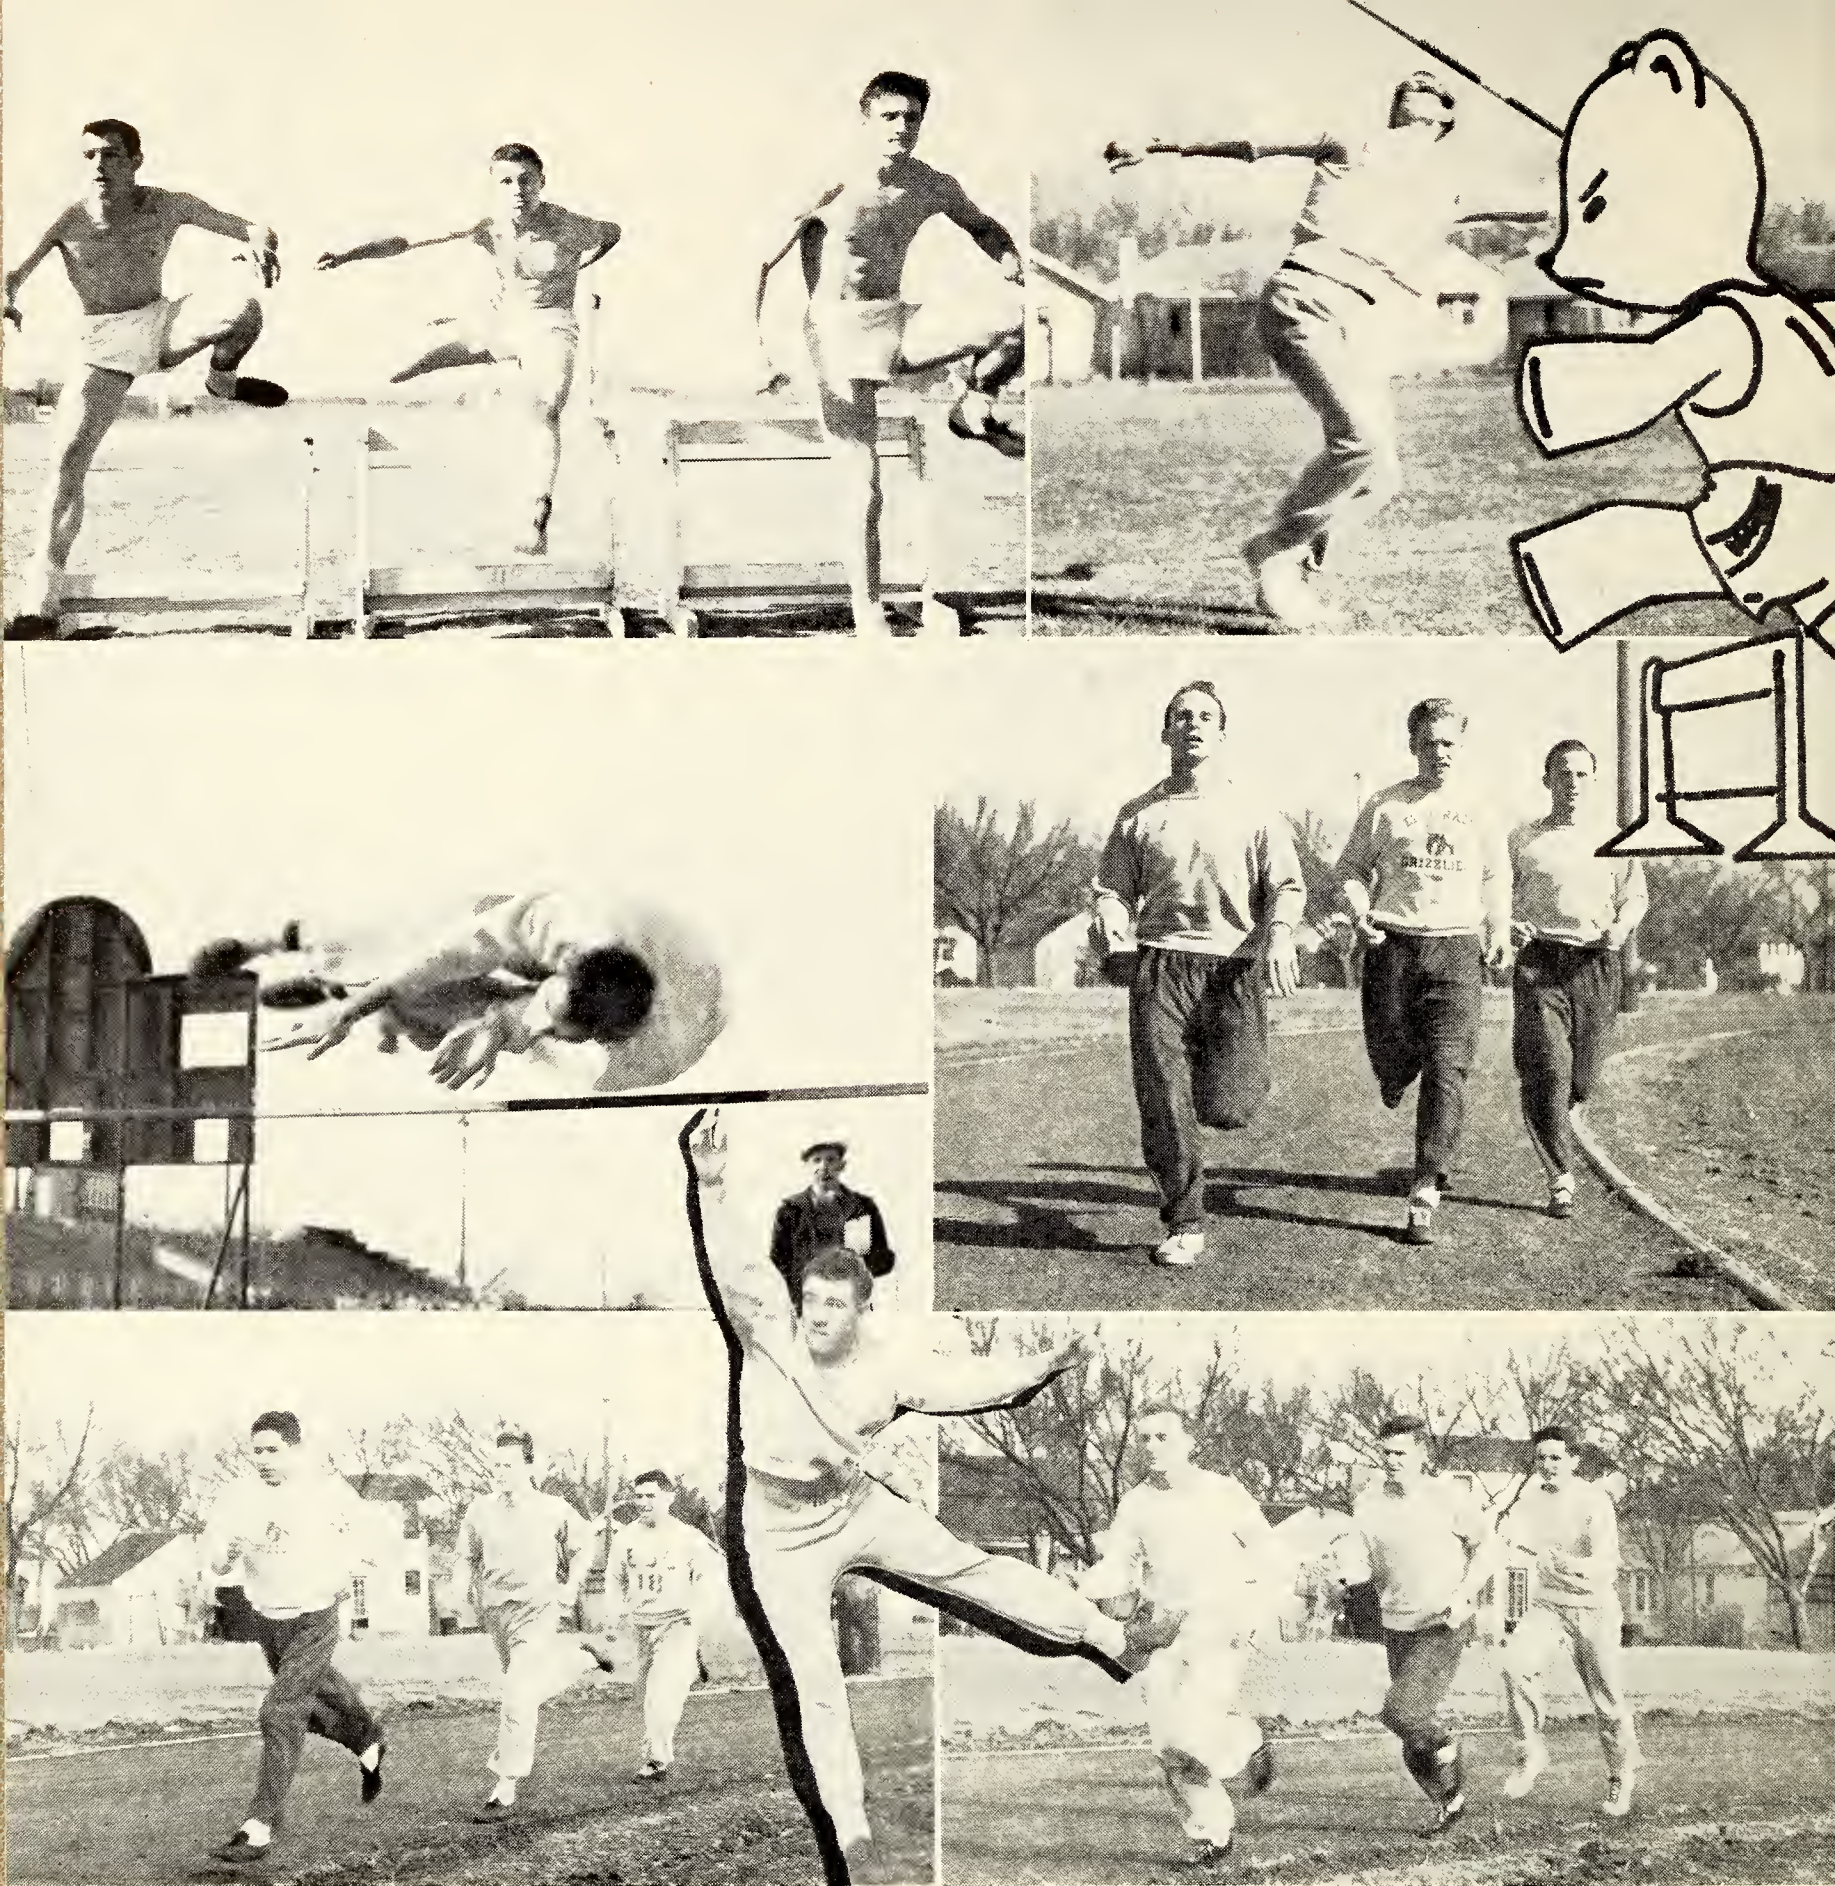

Seated, left to right: Bill Day, Edgar Hodges, Alfred Kilgore, Max Smith, Lyle Townsend. Standing: Calvin McMillan, Jerry Counter.

INTRAMURALS

In the words of Mr. Carl Zerger, sponsor, the purpose of intramurals is "to permit active participation in athletics to those boys whose skill is insufficient, or whose inclinations are such, as to prevent their inclusion on the varsity team." The Intramural league games this year have been played under a single round robin schedule and in a single elimination tournament.

Seated, first row, left to right: Ronald Ball, Louis Alfaro. Second row: Floyd Brentlinger, Bill Marrs, Bill Kruse, Ozzie Hildreth, Dewey Powell. Standing: Carl Zerger (sponsor), Bud Coutts.

SKILL AND STAMINA

One of the most promising track teams that the Grizzlies have boasted for many years will be pounding the cinders regularly this season. Their first contest will be a triangular meet with Ark City and Friends. This meet is scheduled to be held at El Dorado, April 11. The remainder of the schedule, as this yearbook goes to press, is as follows:

April 14 Invitational Meet at Hutchinson.

April 20 Hutchinson, St. John's, Wichita U. Freshmen, at El Dorado.

April 22 K. U. Relays, at Lawrence.

April 29 Baker Relays, at Baldwin.

May 6 State Junior College Meet, at El Dorado.

El Juco's ranking in the state track meet last year was sixth; and track Coach Lee Casida has high hopes of placing among the top three this season.

WINNERS ALL

The golf team plans to play two matches with the Arkansas City team—one here on April 10, and another there on April 25. The team will also play in the invitational meet at Hutchinson, April 14. As this story goes to press, plans for other matches are not complete.

The 1950 tennis team will play in an invitational meet at Hutchinson on April 14, and in other matches not yet definitely arranged as this copy goes to press. Last year's team won from Hutchinson in the state quarter finals, and lost to Dodge City in the semi-finals; this year's team hopes to better that record.

This year's activities included sponsoring the Den, establishing an athletic library, and sponsoring an all-star football game, an all-star basketball game, and a Varsity Club-Faculty basketball game.

PEP CLUB

To quote President Iris Henman, "The purpose of the Pep Club is to keep alive the school spirit by generating enthusiasm at all athletic contests and by giving school service whenever needed." During the year, the Gold Diggers decorated the halls at Christmas, assisted at the crowning of the football queen, served as ushers at the school play, decorated the athletic field during the football season, presented an assembly program, bought "Gruffy T." a new sweater, initiated the singing of the school song at assembly, and held a line party and a traveling canasta party.

This year's activities included holding regular evening meetings, putting on an assembly program, and working out individual projects.

HIS HIGHNESS

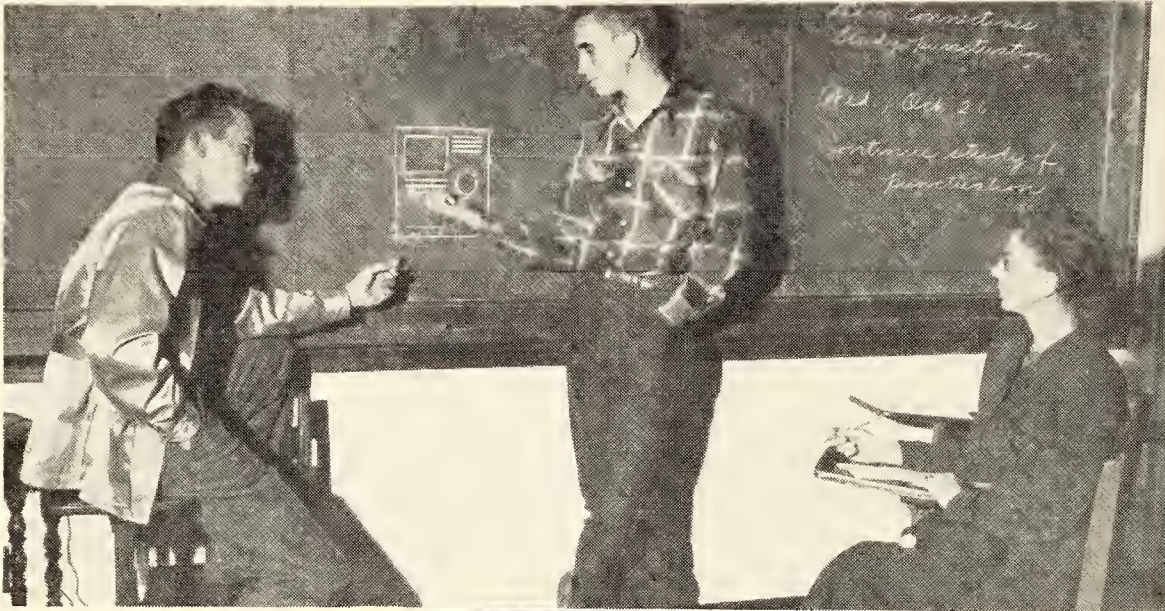

"I may be King, but I certainly don't get much of the Queen's attention nowadays; Princess Tonya gets most of it," grumbled Jim Lininger, Annual King. Whatever his status at home may be, King Jim has received the enthusiastic homage of his loyal subjects, the students of El Dorado Juco.

HER HIGHNESS

"I make him think he's King of our home," says Carol Lininger, Annual Queen, of her handsome husband, "but I'm afraid Tonya, our baby, doesn't always obey the King's commands." In the opinion of her fellow students, Carol is truly a Queen, ruling as graciously in her court at Juco as in her own home.

YOUR YEARBOOK STAFF

In the words of Peggy Johnson, editor of the year book, "The project of the Annual Staff is to put out a book with a collection of memories of the Juco year." The staff's activities during the year included selling sandwiches in the Den and candy bars at the games, holding a Thanksgiving formal dance, and giving a Valentine party.
